### HAYMATIC BLE

#### iPhone enabled moisture meter

The moisture content in straw & hay has a major influence on the economy when - pressing, storing and trading it. Hence it's vital to know the correct moisture content.

**Haymatic BLE** provides you with accurate, fast and reliable readings.

- Digital reading of moisture in the range 10 -80%
- Different spears / probes available as accessories.
- Accuracy, approx 1 %
- Wireless interface to the iPhone App - StrawApp

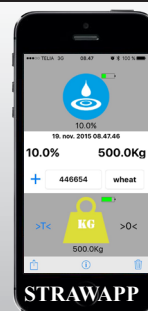

**The iPhone App - StrawApp** provides you with

- Average calculation
- Documentation, e.g. time & date, moisture, client and type of product
- Storage of data in iCloud ( for office- processing / invoicing )
- Interface to scale for weighing bales / trucks.
