STATIONARY PIG-WEIGHER WITH USB-DRIVE

THE PROFESSIONAL CHOICE

The sturdy and versatile platform-scale is the ideal solution to weighing pigs, small feed-wagons, manure, loading of trailers etc. The platform-scale can be place directly on the floor or it can be build into the floor via an optional pit-frame.

The scale can be fitted with an electronic ear-tag scanner for automatic identification of the individuals. When using electronic ear-tags you will be able to automatically record the ID and the weight. The record is kept on a USB-drive for easy transport of the data to the Farm-PC.

QUICK WEIGHING AND RECORDING

EACH KILO IS WORTH MONEY

	Art. number	Description
SCALE ¹	040310H01	Stationary scale 1 x 2 m / ECCO101
	040310H99	Stationary scale to measure / ECCO101
ACCESSORIES	040310T01	USB-drive incl. software
	040310T03	Electronic Ear-tag scanner ²
	040310T04	Electronic Ear-tag scanner ³
	040310T05	Pit-frame 1 x 2 m
	040310T06	Pit-frame made to measure.

¹ Capacity: 2000 Kg / 1 Kg.

² Scanner is stationary

³ Scanner is handheld
